Some things to note: Individual membership dues are \$80 per year. Dues for a full year are payable when you are reinstated as a member. In addition to your annual dues, if you were never assigned one, you will pay a one-time \$10 fee for an access key card. This card becomes your permanent membership card and remains activated in the locks as long as your dues are paid.

All those applying for reinstatement are required to complete the Outdoor Range Safety Orientation prior to regaining membership. Rejoining members must also re-qualify to use the indoor range. There is no additional fee for this.

See the Club's website for more information about Family Memberships, the membership process in general, and the responsibilities and benefits of membership.
